

Week of June 4 to June 10, 2026

Meeting report for Jordan: current dashboards, shipped items, and open handoffs.

For: Jordan **From:** Shela **Period:** June 4 to June 10, 2026 **Generated:** June 11, 2026

Biggest signal this week: **traffic has normalized hard after the May spike, but conversion count held.** June 4 to June 10 closed at **6.5K users, 7.4K sessions, 10.7K views, 4 booked calls, and 22 created accounts.** Newsletter KPI is current through June 9: the latest edition sent to **630**, produced **369 unique opens**, a **58.66% open rate**, **1 click**, and **1 unsubscribe**; the last 5 editions averaged **375 unique opens** and a **58.01% open rate**.

Dashboard Summary

- **Website Traffic** is now at a normal post-spike level: 6.5K users, 7.4K sessions, and 10.7K views for June 4 to June 10.
- **Conversions** stayed useful even with lower traffic: booked calls held at 4, and created accounts moved from 20 to 22.
- **Traffic Insights** shows homepage and directory traffic leading the week, with Organic Search still the best SEO channel and blog traffic at 343 sessions.
- **Domain Rating** remains on the OpenPageRank scale at 3.27/10, checked June 11. OpenPageRank is a different scale from the old Ahrefs DR.
- **AI Visibility** is current from the June 7 AEO run: 37.66% combined mention rate, 58 of 154 prompts cited by at least one engine.
- **AEO wins** are still strongest around Secretary of State API and Cobalt vs Middesk prompts; the biggest gaps remain registered-business, Texas, New York, and step-by-step SOS API queries.
- **Newsletter** latest tracked edition is June 9: FDIC Flips, Backs Lenders in Colorado Rate-Cap Case sent to 630, with 369 unique opens, 58.66% open rate, 1 click, and 1 unsubscribe.
- **YouTube** is unchanged from the corrected Content Type export through June 4: 11,759 views, 7,041 engaged views, 105.0 watch hours, 23 Shorts published, and net -12 subscribers.

In Progress

Jordan review queue for meeting IN PROGRESS

- **Jordan asked what is still waiting on him** after getting back in town.
- **Shela's response was to discuss them in the meeting**, so tomorrow's agenda should include open Codex requests and staging review items.
- **Immediate handoff**: review and merge the staged Patrick website notes, then decide when production should be deployed.
